Dear Simon,

Thank you very much for donating 50,000 AUD in February 2017 to Sanergy, Inc, a 501(c)3 registered in Massachusetts.

Sanergy builds healthy, prosperous communities by making safe sanitation, accessible and affordable for everyone, forever - starting with the urban slums of Nairobi, Kenya.

In Kenya's slums, over 90% of the sludge from the 8 million residents is being dumped untreated into waterways or leaching into the water table. Living in this waste is an environmental, economic and health disaster.

Thanks to Who Gives A Crap's generous gift, we are able to have an incredible impact in providing safe and hygienic sanitation to the residents of 11 Nairobi's slums. Sanergy's system-based approach and our partnership with Who Gives A Crap result in residents of urban slums living in cleaner communities, leading healthier, more productive and higher quality lives.

We thank you for your support and look forward to growing our partnership in the future!

Kind regards,

Lindsay Stradley
Executive Director, Sanergy
